Children's Birthday Parties:

The Cake Shop's Cooking Corner is now offering children's birthday parties for kids 5 years old and up. Let us provide the cupcakes and sugar cookies to decorate and you provide the young pastry chef to-be. We can help you celebrate a birthday, special event or just a fun afternoon in the kitchen.

We are booking parties Monday- Friday between 11 and 4 and Saturday's depending on age of children and date of event. Birthday parties last an hour and a half and hosts may arrive 15 minutes early. All activities are managed by The Cake Shop staff but one adult chaperone is required per 10 children (or less.) Payment is due upon reservation and we ask at least 48 hours in advance for a full refund. Please email cakes@tallycakeshop.com or call 850.386.2253 to reserve your party.
